

TOPIC	DISCUSSION	ACTION/FOLLOW-UP NEEDED
	<p>Jim Lock provided FBT training in St. Louis. Ellen discussed the surveys they received and how they showed how much more training they would like. Ellen stated that the MO Coalition is working on getting the training video uploaded on Relias and should be done later this week. This training will be also be on Vimeo and password protected. Ellen also discussed the feedback she received on this training. She has been working with Ozark Center with support from Janet Clevenger and also working with FCC Behavioral Health.</p> <p>IPT training was held back in January at the MO Coalition in Jefferson City. Rob Welch conducted this training. CEUs were provided. This training will also be video recorded. Rob Welch is providing follow up consultation to clinicians at Ozark Center and FCC Behavioral Health and a couple of others who attended this training. IPT online training is available to IPT attendees as well as CMHC across the state via the Coalition listserv.</p> <p>Establishing Centers of Excellence – Ozark Center received team training in Kansas City and Children’s Mercy and McCallum Place took place back in February. Ozark Center was very happy with training.</p> <p>Kim’s medical training will be June 30, 2017. Kim asked what the max of this training should be. 40 would be the max based on the other trainings. How to get the word out and get the key people invited. Coalition can send out the invite through their listserv. A discussion was on where to hold this training, more to come.</p> <p>IAEDP course access on Relias (since 2015)</p> <ul style="list-style-type: none"> <li>• Eating disorder Nutrition 101 -55</li> <li>• Overview of Eating Disorders -47</li> <li>• Core Skills and Decision Points in the Evaluation and Treatment of Anorexia in Adolescents and Adults-31</li> <li>• Effective Treatment Modalities for Eating Disorders -29</li> </ul> <p>Marjorie asked for school nurse for Webinar for eating disorder training. Annie stated that Kim wrote something for school professionals. Dr. McCallum and Annie will work together to work on a webinar for her. Will also target bullying due to overweight.</p>	<p><i>Connie sent email to Coalition to send out a reminder about the eating disorder treatment training information on Relias.</i></p> <p><i>Ellen will work with Del, Beth, Shawn and Kim on getting where the best location will be. Will also talk about get CMEs with this training.</i></p>
